PROCEDURES

GENERAL ORIENTATION PROCEDURES

The time required for orientation and settling in will vary for each child and their family, therefore it is important to be flexible and individualise orientation for each family.

- Offer families the opportunity to visit the service at different times during the day/session, this allows the child and their family to become familiar with the various routines of the service
- Provide reassurance to the family that they may stay with their child for as long as they choose during orientation and once the child commences
- Provide the family with suggestions for developing and maintaining a routine for saying goodbye to their child
- Reassure the family:
 - they can leave their child initially for a shorter day, gradually increasing the length of time
 - they may call and speak to their child's early childhood teacher or educator(s) at an agreed time
 - the early childhood teacher/educators will keep them informed on how their child is settling in
 - they will be informed about any changes or circumstances which may affect them or their child.
- Further considerations may include but are not limited to:
 - send an email during the day to update the family on their child including a photo of the child (if the child has settled in) (*refer to the information and Communication Technology Policy*). **Note:** For children in out-of-home care, the educator may need to seek permission from Child Protection before taking and distributing photos of the child
 - asking the family how they have settled in and if they have any questions or concerns.
- Refer to *Attachment 2* for the general kindergarten registration and enrolment procedures
- Refer to *Attachment 5* for cancellation of enrolment and non-attendance procedures.

BACKGROUND AND LEGISLATION

BACKGROUND

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (*Regulation 168(2) (k)*).

It is intended by 2022 that all eligible Victorian children (*refer to Definitions*) will have access to two years of kindergarten before commencing school. Where demand is higher than availability, approved providers must adhere to their eligibility and DE's Priority of Access criteria (*refer to Definitions and Attachment 1*) in order to allocate the available places. The criteria used to determine the allocation of places takes account of the requirements set out in DE's Kindergarten Funding Guide (*refer to Sources*), the service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2010*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Services participating in a central registration and enrolment scheme are required to comply with the registration and/or enrolment procedures of that scheme.

The Central Registration and Enrolment Scheme (CRES), co-designed by DE provides access to families to register for and secure a place for their children in kindergarten. It is a collaborative model that brings together councils, service providers, MCH staff, support services and other stakeholders to support children and their families. In 2020 more than half of all local councils across Victoria operate

a form of central enrolment or central registration scheme. These schemes provide a single point of entry for families, simplifying the kindergarten enrolment process and improving equity of access.

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010 and Education and Care Services National Regulations 2011* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with an Australian Immunisation Register (AIR) Immunisation History Statement (*refer to Definitions*).

DEFINITIONS

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. approved provider, nominated supervisor, notifiable complaints, serious incidents, duty of care, etc. refer to the Definitions file of the PolicyWorks catalogue.

Access to Early Learning (AEL): a program for a child who is at least three years old on April 30th in the year of enrolment, providing intensive support to eligible families with multiple and complex needs, assisting them to access universal kindergarten programs.

Australian Immunisation Register (AIR) Immunisation History Statement: The AIR is a national register administered by Medicare that records all vaccinations given in Australia, including to children. In the case of medical contraindication, an authorised medical practitioner completes and signs a Medical Exemption Form and supplies it to the AIR (previous forms of documentation, for example a letter from a GP or local council, are no longer acceptable).

Authorised nominee: (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

Children/families experiencing vulnerability and/or disadvantage (in relation to this policy): children are vulnerable if the capacity of parents and family to effectively care, protect and provide for their long-term development and wellbeing is limited. Some factors which may contribute to a child

experiencing vulnerability include: a child with a disability; living in a family with a low income, or one which is experiencing problems with housing, domestic violence, substance abuse, or mental health; known to child protection; in statutory out-of-home care; Aboriginal and/or Torres Strait Islander, having a culturally and linguistically diverse background; having a young or sole parent, or a parent with a disability (adapted from the Kindergarten Funding Guide)

Children with additional needs: Children whose development or physical condition requires specialist support or children who may need additional support due to language, refugee or asylum seeker experience, complex trauma, cultural or economic circumstances (*refer to Inclusion and Equity Policy*) (*refer to Children/families experiencing vulnerability and/or disadvantage Definition*).

Central Registration and Enrolment Scheme (CRES): CRES provides a single point for families to apply for multiple kindergarten services within a local government area, helping them secure a place that meets their needs and enabling funded kindergartens to work collaboratively with other services to engage vulnerable and disadvantaged families.

Deferral: When a child does not attend in the year when they are eligible for a funded kindergarten place or is officially withdrawn from a service prior to the annual confirmation in April DE considers that this child has not accessed a year of funded kindergarten and is therefore eligible for a DE funded kindergarten place in the following year.

Early Start Kindergarten (ESK): Early Start Kindergarten provides eligible children with 15 hours of free or low-cost kindergarten each week led by a qualified Victorian Institute of Teaching (VIT) registered teacher. ESK is available to children who are at least three years old by 30 April in the year they are enrolled to attend the program and are:

- from a refugee or asylum seeker background, or
- Aboriginal and/or Torres Strait Islander, or
- known to child protection.

These children can also access free or low cost year-before-school kindergarten through the ESK Extension Grant regardless of whether they have accessed ESK in the previous year.

Early Start Kindergarten extension grants: provides eligible children with 15 hours of free or low cost kindergarten each week led by a qualified VIT registered teacher. The ESK extension grants are available to children attending kindergarten in the year-before-school and are:

- not eligible for the Kindergarten Fee Subsidy
- from a refugee or asylum seeker background, or Aboriginal and/or Torres Strait Islander, or
- known to child protection.
- A child is not required to access ESK in the previous year to access the ESK extension grant.

Eligible child: as defined by the Victorian DE Kindergarten Funding Guide:

- a child who is at least four years old on 30 April in the year of attendance; enrolled for at least 15 hours per week or 600 hours per year in a Four-Year-Old Kindergarten; and not enrolled at a funded kindergarten program at another service
- a child who is at least three years old on 30 April in the year of attendance and is enrolled in a funded Three-Year-Old Kindergarten for a minimum of 5 hours per week
- any child that is enrolled in an early childhood and education and care service must have an AIR Immunisation History Statement that indicates that the child is fully vaccinated for their age or who qualifies for the 16-weeks grace period

Enrolment deposit: A charge to secure a place that has been offered in a program at the service. This should not act as a barrier to enrolling for any families. Services must ensure that families understand that the enrolment deposits will only be refunded if the child commences in the service (*Refer to Free Kindergarten Fees policy*)

Enrolment record: the collection of documents which contains information on each child as required under the National Regulations (*Regulations 160, 161, 162*) including but not limited to parent details; emergency contacts; authorised nominee; transportation authorisations, details of any court orders;

and health information including immunisation status. Enrolment records are stored securely in the service due to their confidential nature.

Kindergarten registration fee: a payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service, if applicable. (*Refer to Free Kindergarten Fees policy*)

Kindergarten registration form: The process of families providing initial information about their child to confirm their intention to enrol in kindergarten, administered by the CRES Provider (*refer to Definition*) or by the kindergarten service. This includes collection of basic contact information, kindergarten preferences and any other details that may inform prioritised allocation in kindergarten (*refer to Attachment 3*)

Grace period: allows specific categories of children of families experiencing vulnerability and disadvantage to enrol and attend the service without an AIR Immunisation History Statement (*refer to Definitions*) or when the statement is assessed as not being up to date. Services complete the grace period eligibility form with families during enrolment and keep a copy with the child's enrolment record. The 16-week grace period starts on the first day of the child's attendance at the service. During the grace period, the service is required to take reasonable steps to obtain the AIR Immunisation History Statement (*refer to Definitions*) and to encourage families to access immunisation services.

Local Government Area (LGA): a geographic area governed by a local council or shire.

Priority of access: in instances where more eligible children apply for a place at a service than there are places available, the service must allocate spaces using the criteria outlined in the DE Kindergarten Funding Guide (*refer to Attachment 1 and Sources*).

Registration: The process of families and carers giving initial information about their child to confirm their intention to enrol in kindergarten, administered by the service provider/EYM/CRES Provider. This includes collection of basic contact information, kindergarten preferences and any other details that may inform prioritised allocation in kindergarten.

School Readiness Funding: funding provided by DE for programs and supports that builds the capacity of kindergarten services, educators and families to support children's learning and development outcomes.

Second year of funded four-year-old kindergarten: second year eligibility may be considered when a child shows delays in key outcomes of learning and development. An assessment is carried out for each child by an early childhood teacher in Term 4 (the year before the child is to attend school) when a second year is being considered.

AUTHORISATION

This policy was adopted by the approved provider of Parkdale Preschool on 31 August 2023

REVIEW DATE: AUGUST/2024

ATTACHMENT 1. ELIGIBILITY AND PRIORITY OF ACCESS CRITERIA

FOR A FUNDED KINDERGARTEN THREE OR FOUR-YEAR-OLD KINDERGARTEN PROGRAM

The approved provider must notify all families of the priority of access (PoA) policy that applies when they enrol their child.

In instances where more eligible children apply for a place at a kindergarten service than there are places available, services must:

- prioritise children based on the Department of Education (DE) criteria listed in the table below
- work with other local kindergarten services and the regional DE office to ensure all eligible children have access to a kindergarten place.

These criteria must be used by the approved provider when prioritising enrolments. Guidance is available from the Department's regional offices if required.

Service providers should build flexibility into their enrolment processes that consider the circumstances of families from priority groups.

If participating in a central registration and enrolment scheme, the CRES provider will allocate places in accordance with DE's PoA criteria, and other local criteria if applicable

Services must first apply the DE's PoA criteria, and following this may apply locally developed criteria, as per examples below.

All information relating to PoA criteria should be respectfully collected from families upon enrolment, recorded in the child's confidential enrolment record and entered into the Kindergarten Information Management (KIM) system, where applicable.

DE's Priority of Access criteria

High priority children	Criteria and processes for verifying need(s)
Children at risk of abuse or neglect, including children in Out-of-Home Care	<p>The child is:</p> <ul style="list-style-type: none"> • eligible for ESK or AEL, and/or • family, carer or legal guardian identifies the child as known to Child Protection or in out-of-home care, and/or • referred by one of the following: <ul style="list-style-type: none"> • Child Protection • Child and family services (family services referral and support team, Child FIRST/integrated family services/Services Connect case worker) • Maternal and Child Health nurse • out-of-home care provider.
Aboriginal and/or Torres Strait Islander children	As part of the enrolment process, service providers must respectfully ask families 'is your child Aboriginal and/or Torres Strait Islander?' and record this information in KIMS
Asylum seeker and refugee children	<p>Child or family holds a visa or supporting documentation and information, including an ImmiCard, identifying the child and/or parents, carers or legal guardians as a refugee or asylum seeker and/or</p> <p>Referred as a refugee or asylum seeker by a CALD outreach worker.</p>
Children eligible for the Kindergarten Fee Subsidy	<p>A child or parent holds a Commonwealth Health Care Card, Pensioner Concession Card, Veteran's Affairs Card, or</p> <p>The child is identified on their birth certificate as one of a set of triplets, quadruplets or more.</p>
Children with additional needs, defined as children who:	<p>The child:</p> <ul style="list-style-type: none"> • holds a Child Disability Health Care Card, and/or • has previously been approved for Kindergarten Inclusion Support (KIS) program, and/or

<ul style="list-style-type: none"> • require additional assistance in order to fully participate in the kindergarten program • require a combination of services which are individually planned • have an identified specific disability or developmental delay 	<ul style="list-style-type: none"> • has been referred by: <ul style="list-style-type: none"> • the National Disability Insurance Scheme • Early Childhood Intervention Services • Preschool Field Officer • Maternal and Child Health nurse, or • is assessed as having delays in 2 or more areas and is declared eligible for a second year of funded Four-Year-Old Kindergarten.
--	--

Examples to consider for second priority

- children who turn four years of age by 30 April in the year they will attend kindergarten; or
- children who turn three years of age* by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET
- children who have a sibling that has previously attended the same kindergarten as their first preference
- home address falls within the same suburb as the kindergarten
- family lives, works, studies or attends child care in [LGA]

Examples to consider for third priority

- service for transient families e.g. RAAF, seasonal workers and tourism workers
- date of application
- local community zoning
- full fee paying families

Note: DE's PoA guidelines are to ensure that kindergarten programs are available to those children who stand to benefit the most from attending early education. In mixed age groups, PoA guideline will equally prioritise three and four-year-old children that are considered high priority. Where programs for three- and four-year old children are provided separately, the PoA criteria will be applied separately for each age cohort.

* Early Start Kindergarten and Three-Year-Old Kindergarten

During the roll-out of Three-Year-Old Kindergarten, Early Start Kindergarten (ESK) (*refer to Definitions*) will continue to provide 15 hours a week of funded kindergarten for all eligible children up until 2029, when three-year-old children across the state will have access to 15 hours

It is important to continue to enrol eligible children in ESK, even if funded Three-Year-Old Kindergarten is available at the service.

The Kindergarten Funding Guide 2023 states for ESK funding, service providers should:

- provide up to 15 hours in a kindergarten program free of charge and maximise access to 15 hours of kindergarten (children accessing ESK can be enrolled in a 3-year-old group, a 4-year-old group, a mixed age group or a combination of groups in order to access the full 15 hours per week)

This guarantees that children experiencing vulnerability will continue to be enrolled in the full 15 hours of kindergarten in all service settings, including long day care. It also ensures that service providers can continue to receive all funding entitlements.

Service providers are expected to continue to provide the full 15 hours funded through Early Start Kindergarten, even in instances where three-year-old groups are being offered fewer than 15 hours.

ESK is available to children who turn three years of age by 30 April in the year of enrolment and who:

- are Aboriginal and/or Torres Strait Islander
- are known to Child Protection
- have a refugee or asylum seeker background*

*Children/families without a current refugee visa or ImmiCard who have a recent refugee experience may be eligible by exception for Early Start Kindergarten, for more information contact your local Department of Education and office.

Refer to the Department of Education's website for up-to-date information: www.education.vic.gov.au

ATTACHMENT 2. GENERAL KINDERGARTEN REGISTRATION AND ENROLMENT PROCEDURES

The information contained within this attachment is to be used as a guide and modified accordingly for kindergarten services that are not part of a CRES

KINDERGARTEN REGISTRATION PROCESS

Stage	CRES Role	Family Role	Kindergarten Role
1. Proactive engagement and awareness	Ensures families are aware of the importance of ECEC, the CRES and available assistance to help them engage with the CRES.	Searches for information about ECEC and CRES. Receives information from a service provider, MCH staff or support service they have contact with.	Communicates information about ECEC and CRES to families Obtains consent for family contact details to be shared with the City of Kingston.
2. Registration	Obtains information about children to initiate the process of allocating places.	Completes a registration form.	Supports families to complete registration forms if they find it difficult, or refers them directly to the The City of Kingston.
3. Allocation	Equitably allocates kindergarten places and optimise the supply and demand of places.	Receives an update on the progress of their registration.	
4. Confirmation and communication	Clearly communicates with families and carers to confirm their allocated place and inform service providers of their enrolment list.	Accepts their offer of place or rejects the offer and goes on a waiting list.	Supports families to understand what an offer means and what they need to do next.
5. CRES planning, maintenance and development	Plans for success every year by evaluating and improving the CRES.	Begins to engage with the service provider to start the enrolment process.	Supports families to enrol and begin kindergarten. Provides feedback to the City of Kingston about your experience so they can improve it for the coming year.

* If the kindergarten believes a family will need extra support completing a registration form or are likely to miss the first round registration date, refer them to the [CRES Provider] with the attached referral form. [CRES Provider] will follow up with this family or carer to offer support in getting their children into kindergarten.

Kindergarten registration dates

If families miss the registration close deadline, they can still register although they will be placed into a pool for second-round (or even later rounds) of allocation and are less likely to get their top preference. After second round offers have been confirmed, City of Kingston will continue to allocate children to kindergarten places where they are available. More places may become available as children move kindergartens or withdraw, or when kindergartens add capacity.

*Registrations will still be accepted after 30 May, but registrations received prior will be allocated first. Children eligible for Priority of Access will be prioritised regardless of when registration is received.

Registration

The quickest way to complete a registration form is online at [Kindergarten - City of Kingston](#)

A separate registration application form must be completed for each child.

Families cannot register directly with the kindergarten that are part of the CRES, they must go through the centralised registration process. Kindergarten's can direct families to register through City of Kingston and assist them to complete the registration.

To fill out the registration form, families will need to provide information about themselves and their child. At this stage they do not need to attach any supporting documentation. They will need a credit card (to pay the registration fee). The fee can also be paid in person at City of Kingston. This fee is waived for all families and carers eligible for Priority of Access allocation.

The registration form asks families for:

- Basic information about the child including name, date of birth, language spoken at home, previous kindergarten attendance and immunisation status.
- Details of any additional support the child might require due to a disability including intellectual, sensory or physical impairment.
- Contact details for the family or carer and any additional adults that should be kept informed throughout the process (e.g. another family member, a case worker or other support service staff member the family or carer trusts).
- Whether the child is identified as fulfilling any of the following criteria:
 - Is Aboriginal or Torres Strait Islander
 - Is from a multiple birth (triplet or greater)
 - Is known to Child Protection
 - Is in Out-Of-Home Care
 - Holds, or has a family member who holds, a Commonwealth Health Care Card, Commonwealth Pensioner Concession Card, Department of Veteran's Affairs Gold Card or White Card, or a Refugee or Asylum Seeker Visa.

It is strongly recommended that you **do not collect** documents proving the child's birth date, address, visa status, concession card status or similar at the registration stage. A statement at the end of the registration form that certifies the information provided is true can suffice as a legal declaration.

This will make accessing kindergarten as easy as possible for families, particularly those who are experiencing vulnerability or disadvantage. Gathering documentation can be a barrier for many families and carers attempting or completing the form and establishing contact with the CRES. Once registered, the CRES Provider, the kindergarten service, MCH or support service staff can assist the family or carer to gather documentation for the enrolment stage.

If your CRES does require documentation at this stage and this cannot be changed, include the information below.

- Proof of identity: Where a birth certificate cannot be produced, other acceptable evidence of a child's full name and date of birth includes:

- Statement from the Australian Immunisation Register (AIR)
- Medicare card
- letter from the doctor or midwife who attended the birth
- doctor's note attesting to a child's age
- passport
- citizenship documents or Australia visa documents or Immicard.
- Proof of residence: a utility bill, rental agreement or rates notice with family name and address (this must be the main residence of the child).
- Subsidy card and immigration visas (where applicable).
- Documents from Family Support Services or a MCH nurse confirming high support needs and/or disability, or letter from a doctor for complex medical needs (where applicable).
- Other proof required to verify the child meets local criteria.
- Credit card (to pay the registration fee). The fee can also be paid in person at their nearest council office. This fee is waived for all families and carers eligible for ESK/KFS/priority allocation.

Enrolment

Once a kindergarten place has been accepted, the enrolment process can begin.

To enrol a child, families will need to provide copies of (if not already done so):

- Proof of identity: child's birth certificate, birth notice or passport
- Proof of residence: a utilities bill, rental agreement or rates notice with your family name and address (this must be the main residence of your child).
- Concession cards and immigration visas (where applicable).
- Documents from Family Support Services or a Maternal and Child Health nurse confirming high support needs and/or disability or letter from a doctor for complex medical needs (where applicable).
- Immunisation History Statement (unless experiencing vulnerability or disadvantage, at which point they can take advantage of a 16-week 'grace period'. More information is available at <https://www2.health.vic.gov.au/public-health/immunisation/vaccination-children/no-jab-no-play/immunisation-enrolment-toolkit>)
- Documents detailing any medical conditions or requirements the child has.

* Where a birth certificate cannot be produced, other acceptable evidence of a child's full name and date of birth includes:

- statement from the Australian Immunisation Register (AIR)
- Medicare card
- letter from the doctor or midwife who attended the birth
- doctor's note attesting to a child's age
- passport
- citizenship documents or Australia visa documents or Immicard.

Kindergartens may also require additional documentation. The kindergarten should ensure that information regarding any additional documentation is easily accessible for families, carers and support services.

Enrolment Records

Enrolment records (*refer to Definitions*) form part of the enrolment procedure and are completed by families after they have been allocated a place, and before commencing attendance. An example enrolment form can be found on the DE website: www.education.vic.gov.au

Data on the number of children attending Kindergarten who are six years plus, and confirmation that the exemption was sighted for each child, must be provided as part of funding data collection process.
- Children who will turn 6 while attending their second year of Four-Year-Old Kindergarten can be exempted from school if a Declaration of eligibility for a second year of funded kindergarten has been completed by the child's kindergarten teacher.

Withdrawal

Some children who have commenced Kindergarten may benefit from withdrawing from the program, in order to access Kindergarten in the following year.

- A withdrawal can occur without any impact on government funding for that child's place the following year, only if it is implemented **before** the first funding data collection that occurs in, or early March each year.

Parkdale Preschool

[Address]

[Insert date]

Dear [insert name]

Re: Enrolment at Parkdale Preschool for [insert year]

I am contacting you regarding your tentative place for [insert child's name] at [Service Name] in the [insert 3 year old or 4 year old program] in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided AIR Immunisation History Statement.

AIR Immunisation History Statement includes evidence of immunisations and is used to assess whether your child is fully vaccinated for their age.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, and your child is not eligible for the 16 week grace period, we are unable to confirm a place at our service for [insert year] and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- [insert details of local government immunisation service]
- National Immunisation Information Line Tel. 1800 671 811
- Australian Immunisation Register: www.servicesaustralia.gov.au/individuals/services/medicare/australian-immunisation-register
- Better Health Channel website: www.betterhealth.vic.gov.au/campaigns/no-jab-no-play

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by an AIR Immunisation History Statement. The new application would be considered in line with Parkdale Preschool's *Enrolment and Orientation policy*.

Yours sincerely

FOR FUNDED KINDERGARTEN

Cancellation of Enrolment

Families MUST notify Parkdale Preschool and/or an Enrolment Officer in writing of their intention to cancel their child's enrolment. Fees will continue to be generated for that place until the Parkdale Preschool is notified.

Note: This process does not apply to vulnerable children (*refer to Definitions*). Children and families that are experiencing vulnerability are to be supported according to their individual needs. Where children/families are linked to Child Protection and not attending; early childhood teacher or educator will need to inform their Case Officer.

Non-attendance

Term One

- Families that have accepted a placement and have not completed an enrolment form and not attended the service within the first 3 weeks of Term One will be contacted and informed their placement has been cancelled.

Families Traveling Overseas

- Families are required to notify Parkdale Preschool prior to extended periods of travel, and ensure any applicable fees are paid if they wish to return to the service.

- If the family have made no attempt to communicate with the service before the response date, post a final attempt letter, ensuring a response date is documented in the letter.
- If the family has not responded to the final attempt letter before the response date, their placement will be cancelled.

Parkdale Preschool

Fee schedule 2024 - Additional Days

In 2024 Parkdale Preschool may offer “Additional Days” (full fee paying unfunded positions) for existing families with children enrolled in the 2024 four-year-old program.

Additional Days will be available at the discretion of the Service Manager, where the service has capacity on a particular day (which would be any or all of Monday, Wednesday and/or Friday). All sessions run for the same duration – 8.30-4pm. No Additional Days are available on a Tuesday or Thursday, when our 3-year-old group is in session, on public holidays or during school term holiday periods.

Unless Parkdale Preschool is able to obtain an exemption from the Department of Education (which will be communicated to families), when enrolling for Additional Days, families must be aware that the preschool is obliged to prioritise places for funded enrolments over Additional Days or other full-fee-paying places. Accordingly, where a new funded enrolment is received such that an Additional Day is no longer available, the Additional Day enrolment will be cancelled, in the order of priority as set out below. We appreciate this leads to uncertainty and inconvenience for families, and accordingly recommend that you only apply for Additional Days if you are able to be flexible in this regard.

Relevant families will be notified when applications for Additional Days are open (noting that, for example, if the Additional Day is available on a Monday, those families not already attending on Mondays (Myrtle group) will be invited to apply). Families may apply for one Additional Day.

Where demand for Additional Days exceeds the places available, places will be allocated by ballot on the following prioritised criteria:

1. First to families who have served in a volunteer role on the Committee or Subcommittee . These priorities are offered as an incentive to families considering nominating for a role on a committee or subcommittee, as it is crucial for the preschool to have sufficient volunteers for those roles.
2. Secondly, to families who have requested one Additional Day by the due date for applications.
3. Thirdly, to families who requested one Additional Day after the due date of applications.

Where an Additional Day must be cancelled, it will occur in the reverse order to the above, with a ballot to be held for the cancelled spot where multiple enrolments have the same priority.

A waitlist may be established and maintained by the Preschool for Additional Days, with families listed in accordance with the above criteria.

Additional Days will be charged at \$90 per day. Enrolments for Additional Days will be booked and paid for on a term basis, prior to the commencement of each term. Individual invoices will be sent to families including their Additional Days fees for each term. Additional Days will not be charged where the Additional Day falls on a public holiday, or where the preschool is unable to accept the child on the relevant day (due to Coronavirus-related restrictions or a pupil free day). Additional Days will be charged where the child does not attend due to illness, family holiday, or any other reason where the preschool session proceeds as normal.

Families enrolled for Additional Day/s in one term, will be offered priority access to the same Additional Day/s in the following term. Payment of fees for the term will be taken as confirmation of enrolment for Additional Days in that following term. Where fees are unpaid beyond the due date, the enrolment for Additional Days will be taken to have been cancelled, and the Additional Days will become available to be offered to other families.

Enrolments for Additional Days may be cancelled by the family on provision of 2 weeks’ written notice to the preschool, at which time the Additional Days will become available to be offered to other families. Fees paid for unused Additional Days will be refunded to the family cancelling the enrolment.

As noted above, unless an exemption is obtained by the Preschool, enrolments for Additional Days may need to be cancelled by the preschool (in reverse order to how they were offered, as set out above) where a funded enrolment is received such that there is no longer capacity for the Additional Day. Fees paid for unused Additional Days will be refunded to the family.

Payment of fees

Invoices will be issued at least 2 weeks prior to the end of each term and must be paid by the due date.

[only applicable to those families enrolling in an Additional Day for their child]
