BACKGROUND AND LEGISLATION

BACKGROUND

The Best Start, Best Life reform will help all Victorian children dream even bigger through increased access to quality early childhood education and care. A critical part of the reform is Free Kinder, which will support access to two years of high-quality kindergarten programs for all Victorian children. All families with a child enrolled in a funded kindergarten program are eligible for Free Kindergarten, this includes both 3 and 4-year-old kindergarten programs.

Free Kinder supports families to access a funded kindergarten program by:

- providing a free 15-hour program to four-year-old children enrolled at a sessional service
- providing a free 15-hour program to three-year-old children enrolled at a sessional service
- offsetting the funded kindergarten program component of parent fees for three and four-year-old children enrolled at a long day care service

Free kinder supports every Victorian child to get the best start in life no matter where they live. Research shows that play-based learning is a powerful way to support children's learning and development. Two years of early learning is a crucial part of their educational journey, these benefits last into the school years and beyond.

Regulation 168(2) (n) of the Education and Care Services National Regulations 2011 requires that funded services have a comprehensive written fees policy, and the content of this policy must be communicated to families. Any voluntary parent donations and/or fundraising must comply with the Free Kinder subsidy guidelines and be responsive to the local community.

DEFINITIONS

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. Approved provider, Nominated supervisor, Notifiable complaints, Serious incidents, Duty of care, etc. refer to the Definitions file of the PolicyWorks catalogue.

Approved child care: Approved child care services are services that have Australian Government approval to receive the Child Care Subsidy (*refer to Definitions*) on behalf of eligible parents. Approved child care includes centre-based day care, including long day care and occasional care, family day care, outside school hours care and in-home care.

Child care subsidy (CCS) if applicable: A Commonwealth Government means tested subsidy to assist eligible families with the cost of child care. Payments are paid directly to

approved child care providers. Further information can be found at:
www.education.gov.au/child-care-subsidy

Early Start Kindergarten (ESK): A funding program that provides eligible children 15 hours of free or low cost kindergarten program each week for two years before starting school. To be eligible a child must be 3 by 30 April in the year they start kindergarten and be from a refugee or asylum seeker background, or identify as Aboriginal or Torres Strait Islander, or the family has had contact with child protection. Details are available at:

www.vic.gov.au/early-start-kindergarten If a child is eligible for ESK, they should be enrolled in ESK, even where Free Kinder and/or 15 hours per week of funded three-year old kindergarten is offered. This ensures eligible children have priority access to 15 hours of funded kindergarten provided by an early childhood teacher and that service providers receive additional funding and support. ESK enrolments contribute to School Readiness Funding (SRF) calculations for service providers. It also allows the Department to continue to monitor efforts to engage the most vulnerable children in kindergarten across Victoria and provide additional targeted support where required through SRF or Early Childhood LOOKOUT.

Waitlist fee: A fee for when families register their child directly with a service (not part of the councils central enrolment scheme). This fee will not be refunded as it is not part of the Free Kinder subsidy, and not related to the fee charged for delivery of the kindergarten program.

Excursion/service event charge: An additional charge required to meet the cost of special events or excursions that occur in response to emerging children's program needs. Events that are planned ahead and are included as an expenditure item in the service's budget do not incur this additional charge (*refer to Excursions and Service Events Policy*)

Fees: A charge for program hours over and above the 15 funded hours per week (600 per year) and/or wrap around care.

Free Kinder: A Victorian Government Best Start, Best Life initiative providing Free Kinder programs for four-year-old and three-year-old children in funded services, that have opted into the initiative.

Free Kinder supports families to access a funded kindergarten program by:

- providing a free 15-hour program to 4-year-old children enrolled at a sessional service
- providing a free 15-hour program to 3-year old children enrolled at a sessional service
- offsetting the funded kindergarten program component of parent fees for 3 and 4-year-old children enrolled at a long day care service.

Funded Kindergarten: The Victorian Government provides funding to support children to access a high-quality kindergarten program in the two years before they start school. The funding is a contribution towards meeting the cost of the kindergarten program. Funded kindergartens charge fees to help meet the cost of running kindergarten programs. Fees are set by individual kindergartens and depend on things like how many hours children attend and whether there are extra costs such as excursions.

Enrolment deposit: A charge to secure a place that has been offered in a program at the service. This should not act as a barrier to enrolling for any families. Services must ensure that families understand that the enrolment deposits will only be refunded if the child commences in the service.

Pre-Prep: Four-Year-Old Kindergarten will gradually transition to Pre-Prep over the next decade from 2025. Funded kindergarten hours will double from 15 to up to 30 hours a week. Pre-Prep will be delivered through sessional kindergartens and long-day-care centres. By 2032, children across Victoria will have access to 1,800 hours of funded kindergarten before school, comprising 600 hours of Three-Year-Old Kindergarten and 1,200 hours of Pre-Prep.

Voluntary parent/guardian payment/donation: A voluntary payment/donation for items not directly related to the provision of the children's program. Explicit and written agreement from a parent is required for any voluntary payments. Attendance at the service is not conditional on this payment.

Wrap around care: care that is provided by a kindergarten service to kindergarten children outside of the 15 hours per week program.

ATTACHMENT 1. FREE KINDER INFORMATION FOR FAMILIES

Parkdale Preschool 2024 Free Kinder Information

1. General information

Kindergarten programs for four-year-old and eligible three-year-old children in Victorian Government funded services will be free as part of the Best Start, Best Life reform.

This investment will save families up to \$2,500 for each child enrolled in a participating funded kindergarten program.

DE also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

2. What Free Kinder means at our service

Parkdale Preschool has opted in to the Free Kinder initiative. Applicable parent fees are outlined below:

- Funded sessional kindergarten for 3-year-old children (15 hours per week) – no parent fee
- Funded sessional kindergarten for 4-year-old children (15 hours per week) - no parent fee

Parkdale Preschool will reimburse families in full for any kindergarten fee deposit (*refer to Definitions*) payments that have already been made upon acceptance of enrolment, excluding any voluntary parent donations/payments that you agree to in writing.

3. Other charges

Under the Free Kinder program Parkdale Preschool may charge the following additional fees:

- **Excursion/service event charge (outside of the 15 hours per week program):** At times throughout the year an additional excursion(s) or event(s) may be arranged where it is considered relevant to the service's program and the children's interests. At this time any additional excursion costs will be notified and invoiced to families prior to the excursion.
 - **Late collection charge:** The Committee of Management reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge will be set at a level determined by the Committee of Management. It is currently \$10 for 1-10 minutes, and \$1 per minute thereafter.
4. **Additional hours and wrap around care fees:** Parkdale Preschool may offer families various hours above the funded 15 hours per week (600 hours per year for 4 year olds, additional hours are not available for 3 year olds. A fee will be charged to families for any such additional hours. The fee for such additional hours is set out in Attachment 3, and has been determined by reference to the funded program rate. This fee is applicable to all children that attended the additional hours on top of their allocated free kindergarten session.
5. **Fundraising and voluntary Maintenance Levy donations: While participation in fundraising activities and maintenance levy is voluntary, the support of every family is encouraged as it is vital to the successful running of our non for profit preschool.**

Parkdale Preschool owns and maintains the building, land and premises the preschool operates from and we receive no external funding to manage, maintain or operate our centre. Therefore families are asked to consider donating a voluntary Maintenance fee of \$80 per year.

Fundraising activities/event costs do vary and families will be notified of the costs prior to each fundraising activity. Fundraising events are also an opportunity for families and communities to come together, meet other families and be a member of our preschool community.

6. Payment of fees for Excursions, Additional Hours and Voluntary Maintenance Levy.

The Committee of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Excursion and Additional Hours Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. Receipts will be provided for all fee payments.

Parents/guardians experiencing difficulty in paying fees are encouraged to contact the Service Manager or Administration Officer to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

The invoice for the Voluntary Maintenance fee will be issued to all families at the commencement of 2024. Families are asked to contribute to the payment of this invoice. However payment of this levy is NOT compulsory.

7. Unpaid fees for Additional Hours

If fees are not paid by the due date, the following steps will be taken.

- An initial reminder letter will be sent to parents/guardians with a specified payment date, and will include information on a range of support options available for the family.
- Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- The approved provider/Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.
- No further enrolments of children from the parents/guardians will be accepted until all outstanding fees have been paid.

8. Refund of Additional Hours Fee

Additional hours are non-refundable (exceptional circumstances may apply – these are at the discretion of the Committee of Management. There will be no refund of these fees in the following circumstances:

- a child's short-term illness
- public holidays
- family holiday during operational times
- closure of the service for one or more days when a qualified educator is absent, and a qualified reliever is not available
- closure of the service for staff training days
- closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

9. Support services

Families experiencing financial hardship often require access to family support services. Information on these services may be available from the kindergarten service provider or alternatively families may contact the local council.

10. Notification of fee changes during the year for Additional Hours

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.

Parkdale Preschool

Fee schedule 2024 - Additional Days

In 2024 Parkdale Preschool may offer "Additional Days" (full fee paying unfunded positions) for existing families with children enrolled in the 2024 four-year-old program.

Additional Days will be available at the discretion of the Service Manager, where the service has capacity on a particular day (which would be any or all of Monday, Wednesday and/or Friday). All sessions run for the same duration – 8.30-4pm. No Additional Days are available on a Tuesday or Thursday, when our 3-year-old group is in session, on public holidays or during school term holiday periods.

Unless Parkdale Preschool is able to obtain an exemption from the Department of Education (which will be communicated to families), when enrolling for Additional Days, families must be aware that the preschool is obliged to prioritise places for funded enrolments over Additional Days or other full-fee-paying places. Accordingly, where a new funded enrolment is received such that an Additional Day is no longer available, the Additional Day enrolment will be cancelled, in the order of priority as set out below. We appreciate this leads to uncertainty and inconvenience for families, and accordingly recommend that you only apply for Additional Days if you are able to be flexible in this regard.

Relevant families will be notified when applications for Additional Days are open (noting that, for example, if the Additional Day is available on a Monday, those families not already attending on Mondays (Myrtle group) will be invited to apply). Families may apply for one Additional Day.

Where demand for Additional Days exceeds the places available, places will be allocated by ballot on the following prioritised criteria:

1. First to families who have served in a volunteer role on the Committee or Subcommittee. These priorities are offered as an incentive to families considering nominating for a role on a committee or subcommittee, as it is crucial for the preschool to have sufficient volunteers for those roles.
2. Secondly, to families who have requested one Additional Day by the due date for applications.
3. Thirdly, to families who requested one Additional Day after the due date of applications.

Where an Additional Day must be cancelled, it will occur in the reverse order to the above, with a ballot to be held for the cancelled spot where multiple enrolments have the same priority.

A waitlist may be established and maintained by the Preschool for Additional Days, with families listed in accordance with the above criteria.

Additional Days will be charged at \$90 per day. Enrolments for Additional Days will be booked and paid for on a term basis, prior to the commencement of each term. Individual invoices will be sent to families including their Additional Days fees for each term. Additional Days will not be charged where the Additional Day falls on a public holiday, or where the preschool is unable to accept the child on the relevant day (due to Coronavirus-related restrictions or a pupil free day). Additional Days will be charged where the child does not attend due to illness, family holiday, or any other reason where the preschool session proceeds as normal.

Families enrolled for Additional Day/s in one term, will be offered priority access to the same Additional Day/s in the following term. Payment of fees for the term will be taken as confirmation of enrolment for Additional Days in that following term. Where fees are unpaid beyond the due date, the enrolment for Additional Days will be taken to have been cancelled, and the Additional Days will become available to be offered to other families.

Enrolments for Additional Days may be cancelled by the family on provision of 2 weeks' written notice to the preschool, at which time the Additional Days will become available to be offered to other families. Fees paid for unused Additional Days will be refunded to the family cancelling the enrolment.

As noted above, unless an exemption is obtained by the Preschool, enrolments for Additional Days may need to be cancelled by the preschool (in reverse order to how they were offered, as set out above) where a funded enrolment is received such that there is no longer capacity for the Additional Day. Fees paid for unused Additional Days will be refunded to the family.

Payment of fees

Invoices will be issued at least 2 weeks prior to the end of each term and must be paid by the due date.
