

## COMPLAINTS AND GRIEVANCES POLICY

---

### Mandatory – Quality Area 7

#### PURPOSE

This policy will provide guidelines for:

- receiving and dealing with complaints and grievances at Parkdale Preschool.
- procedures to be followed in investigating complaints and grievances.

Note: This policy does not address complaints relating to staff grievances or employment matters. The relevant awards provide information on the management of such issues.

#### POLICY STATEMENT

##### 1. VALUES

Parkdale Preschool is committed to:

- providing an environment of mutual respect and open communication, where the expression of opinions is encouraged
- complying with all legislative and statutory requirements
- dealing with disputes, complaints and complainants with fairness and equity
- establishing mechanisms to promote prompt, efficient and satisfactory resolution of complaints and grievances
- maintaining confidentiality at all times.

##### 2. SCOPE

This policy applies to the Approved Provider, Nominated Supervisor, Persons in Day to Day Charge, educators, staff, students on placement, volunteers, parents/guardians, children and others attending the programs and activities of Parkdale Preschool.

##### 3. BACKGROUND AND LEGISLATION

#### Background

Complaints or grievances may be received from anyone who comes in contact with Parkdale Preschool including parents/guardians, volunteers, staff, students, members of the local community and other agencies.

In most cases, dealing with complaints and grievances will be the responsibility of the Approved Provider. All complaints and grievances, when lodged, need to be initially assessed to determine whether they are a general or a notifiable complaint (refer to *Definitions*).

When a complaint or grievance has been assessed as 'notifiable', the Approved Provider must notify the Department of Education and Training (DET) of the complaint or grievance. The Approved Provider will investigate the complaint or grievance and take any actions deemed necessary, in addition to responding to requests from and assisting with any investigation by DET.

There may be occasions when the complainant reports the complaint or grievance directly to DET. If DET then notifies the Approved Provider about a complaint they have received, the Approved Provider will still have responsibility for investigating and dealing with the complaint or grievance as outlined in this policy, in addition to co-operating with any investigation by DET.

DET will investigate all complaints and grievances it receives about a service, where it is alleged that the health, safety or wellbeing of any child within the service may have been compromised, or that

there may have been a contravention of the *Education and Care Services National Law Act 2010* and the *Education and Care Services National Regulations 2011*.

The Approved Provider must also consider whether a complaint or grievance should also be notified to the Commission for Children and Young People (CCYP) under its Reportable Conduct Scheme.

## 4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

**Complaint:** (In relation to this policy) a complaint is defined as an issue of a minor nature that can be resolved promptly or within 24 hours, and does not require a detailed investigation. Complaints include an expression of displeasure, such as poor service, and any verbal or written complaint directly related to the service (including general and notifiable complaints).

Complaints do not include staff, industrial or employment matters, occupational health and safety matters (unless related to the safety of the children) and issues related to the legal business entity, such as the incorporated association or co-operative.

**Complaints and Grievances Register:** (In relation to this policy) records information about complaints and grievances received at the service, together with a record of the outcomes. This register must be kept in a secure file, accessible only to educators and Responsible Persons at the service. The register can provide valuable information to the Approved Provider on meeting the needs of children and families at the service.

**Dispute resolution procedure:** The method used to resolve complaints, disputes or matters of concern through an agreed resolution process.

**General complaint:** A general complaint may address any aspect of the service e.g. a lost clothing item or the service's fees. Services do not have to inform DET, but the complaint must be dealt with as soon as is practicable to avoid escalation of the issue.

**Grievance:** A grievance is a formal statement of complaint that cannot be addressed immediately and involves matters of a more serious nature e.g. the service is in breach of a policy or the service did not meet the care expectations of a family.

**Mediator:** A person (neutral party) who attempts to reconcile differences between disputants.

**Mediation:** An attempt to bring about a peaceful settlement or compromise between disputants through the objective intervention of a neutral party.

**Notifiable complaint:** A complaint that alleges a breach of the Act or Regulation, or alleges that the health, safety or wellbeing of a child at the service may have been compromised. Any complaint of this nature must be reported by the Approved Provider to the secretary of DET within 24 hours of the complaint being made (Section 174(2)(b), Regulation 176(2)(b)). If the Approved Provider is unsure whether the matter is a notifiable complaint, it is good practice to contact DET for confirmation. Written reports to DET must include:

- details of the event or incident
- the name of the person who initially made the complaint
- if appropriate, the name of the child concerned and the condition of the child, including a medical or incident report (where relevant)
- contact details of a nominated member of the Grievances Subcommittee/investigator
- any other relevant information.

Written notification of complaints must be submitted using the appropriate forms, which can be found on the ACECQA website: [www.acecqa.gov.au](http://www.acecqa.gov.au)

**Serious incident:** A serious incident (regulation 12) is defined as any of the following:

- the **death of a child** while being educated and cared for by the service or following an incident while being educated and cared for by the service
- any **incident involving a serious injury or trauma to a child** while that child is being educated and cared for, which:
  - a reasonable person would consider required urgent medical attention from a registered medical practitioner; or
  - the child attended or ought reasonably to have attended a hospital e.g. broken limb\*
  - any **incident involving serious illness of a child** while that child is being educated and cared for by a service for which the child attended, or ought reasonably to have attended, **a hospital** e.g. severe asthma attack, seizure or anaphylaxis\*

**NOTE:** In some cases (for example rural and remote locations) a General Practitioner conducts consultations from the hospital site. Only treatment related to serious injury, illness or trauma is required to be notified, not other health matters.
- any emergency for which **emergency services** attended
 

**NOTE:** This means an incident, situation or event where there is an imminent or severe risk to the health, safety or wellbeing of a person at an education and care service. It does not mean an incident where emergency services attended as a precaution.
- a child appears to be **missing or cannot be accounted for** at the service
- a child appears to have been **taken or removed** from the service in a manner that contravenes the National Regulations
- a child is mistakenly **locked in or locked out of the service** premises or any part of the premises.

You must notify the regulatory authority within 24 hours of becoming aware of a serious incident (Section 174(2)(a) and Regulation 176(2)(a)).
